Memo to File:

RE: Change in Seed Mix for  
Tosco  
ACT/047/001

In a telephone conversation with Dr. Joe Merino from Tosco, he stated that he had had a conversation with John Blake from State Lands. Upon review of the bond with DOGM, John Blake had reservation about the seed mix selection for Tosco. Dr. Merino phoned to inform the Division that Tosco had no problem with a change. There was a verbal agreement between Tosco and State Lands that there would be a change in the proportion of palatable and non-palatable seeds. No change in the bond amount is necessary.
